Young Stage is calling for application from young circus artists for the 15th edition of the young Stage festival, held from 2 to 6 May 2024 in Basel, Switzerland.

Young Stage is the biggest international circus festival in Switzerland. The mission of Young Stage is to offer a **platform to young professional artists from all over the world to present their work**, to get the **contemporary circus developed and presented** in general, to enable **networking** and to inspire the next generation.

The festival is a **competition and as well as a platform** where young professional artists can present their work in a contemporary circus field. There are 6 public shows every year in Basel. The participants have the chance to win several awards and engagements in circus and show productions in Switzerland and abroad.
