NEW MEDIA ART EXHIBITION

WELCOME
TO
THE
NEIGHBORHOOD

SHANCHAI MOCANSHAN 50 BLD6 2F SEPT27 TO DEC27 2022

island6 Arts Center is an artist-founded platform, managed by devoted creative staff and based in Shanghai with a production site and an adjoining gallery for the cutting-edge, **new media artwork of the Liu Dao art collective**. Every "art forward" island6 exhibition is the product of multi-disciplined, collaborative in-house workshops.

The history of the center dates back to 2006, when it was founded by Thomas Charvériat in a rehabilitated flour mill warehouse on Moganshan Road. Since then, it has occupied various locations and **has set up partnerships with several galleries in Beijing, Hong Kong, Paris, Bangkok, Singapore and New York**. The Liu Dao collective primarily creates **LED artworks, interactive installations, photography, video art and sculptures**. Liu Dao explores the cultural potential of the convergence of **art, technology and science**, and promotes cross-cultural dialogue through their unique collaborative philosophy.
