MUDAM MUSEUM OF MODERN AND CONTEMPORARY ART

Mudam is the foremost museum dedicated to contemporary art in Luxembourg, and strives to be attentive to every discipline and open to the whole world. Its collection and programme reflect current artistic trends and appreciate the emergence of new artistic practices on a national and international scale.

Mudam's aim is to **collect, conserve and present the most relevant contemporary art** and make it accessible to a wide audience. Through its **exhibitions, publications, and artistic and educational programmes**, Mudam fosters research and dialogue while giving special attention to the changing nature of art and its production across the world.

It is Mudam's ambition to serve as a reference museum for contemporary art and to be an iconic museum for Luxembourg in terms of artistic and cultural excellence. Through the activities it presents and the manner in which it operates, Mudam promotes creativity,

visionary thinking, openness and cultural participation for all. Like Luxembourg itself, Mudam is situated in Europe but has a global and outward-looking vision.

The cultural project of Mudam is based on a conception of art seen at a poetical distance from the world. Its key words are freedom, innovation, a critical mind, and all this, not devoid of humour. The programme favours every vector of expression while questioning our habits and our representations. It aims to capture not only a way of contemporary thinking, but also the aesthetic language of an age to come.
