The Asia-Europe Foundation (ASEF) promotes understanding, strengthens relationships and facilitates cooperation among the people, institutions and organisations of Asia and Europe. ASEF enhances dialogue, enables exchanges and encourages collaboration across the thematic areas of culture, economy, education, governance, public health and sustainable development. ASEF is an intergovernmental not-for-profit organisation located in Singapore. Founded in 1997, it is the only institution of the Asia-Europe Meeting (ASEM). Together with about 750 partner organisations ASEF has run more than 700 projects, mainly conferences, seminars and workshops. Over 20,000 Asians and Europeans have actively participated in its activities and it has reached much wider audiences through its networks, web-portals, publications, exhibitions and lectures. www.ASEF.org

culture360.asef.org is a portal initiated by the Asia-Europe Meeting (ASEM) and managed by the Culture Department at the Asia-Europe Foundation (ASEF). culture360.asef.org aims to stimulate the cultural engagement between Asia and Europe and enhance greater understanding between the two regions. Created for and fuelled by artists, cultural practitioners and policy makers, culture360.asef.org is your platform to inform, exchange ideas, interact and collaborate with the arts and cultural communities across Asia and Europe. As a reference tool, and a place for dialogue, this exciting portal will take cultural cooperation between Asia and Europe to a whole new level. www.culture360.asef.org

MAPPING OF FUNDING OPPORTUNITIES FOR INTERNATIONAL CULTURAL EXCHANGE IN ASIA

MOBILITY FUNDING GUIDE

2016-2017 EDITION

This *Mobility Funding Guide* is a concrete output of the mapping of funding opportunities for international exchange in 20 countries in Asia. It was first released on culture360.asef.org in September 2012 by the Asia-Europe Foundation (ASEF) with the cooperation of Arts Network Asia (ANA), Korea Arts Management Service (KAMS), Japan Center, Pacific Basin Arts Communication (PARC), and Tokyo Performing Arts Market (TPAM).

The main objectives of this Guide are to make available online the existing information on funding that supports the international mobility of artists and cultural operators from Malaysia and to provide input to funders on how to fill in the existing funding gaps for international cultural exchange in Asia and in Malaysia in particular.

This Guide follows the existing model of the *Guide to funding opportunities for the international mobility of artists and culture professionals in Europe*ⁱ, first produced by the Foundation Interarts, On the Move and PRACTICS.

In this **2016-2017 Edition**, you will find funding opportunities for Malaysia in most artistic and cultural disciplines at national, regional and international levels.

This Guide focuses on Malaysia, in the framework of the 20 Asian countries of the Asia-Europe Meeting (ASEM)ⁱⁱ on Asia (ASEM Asian partner countries including Malaysia) and is organised around different themes, including culture and development. Other nationals who do not have a dedicated country guide may be interested to check this Guide for additional sources of funding.

Only regular opportunities accessible online are listed. The mentions of Public, Private and Public/Private have been added next to the funding schemes to highlight the source(s) of the said funding. Not included are: funds for which information is only available offline, funds that are not based on open calls, and ad hoc or short-term funding.

For a full overview of the methodology and scope of the research, please refer to the Mobility Funding Guide's *General Introduction*ⁱⁱⁱ.

This Guide is an attempt to gather all the resources in one document and is by no means complete. As we aim to update it on a regular basis through further research and input from the field, your feedback is crucial.

You can send your feedback to: funding@culture360.org

vi. Knowing that the **notion of “Asia”** does not always encompass the same number of countries and depends on each organisation’s scope, for each scheme we have tried as much as possible to **list only the Asian ASEM partner countries for which applications are open.**

vii. The notion of “emerging” and “developing” countries does not always refer to the same countries for the identified funding organisations. We have tried as much as possible to list the eligible countries from the Asian ASEM partner countries under the various denominations.
