Guide to funding opportunities for the international mobility of artists and culture professionals PORTUGAL

This guide is a partially updated document from the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**¹ produced by the Foundation Interarts, *On the Move* and PRACTICS and published online in September 2011.

This present **guide** specifically focused on **Portugal** includes:

- **Mobility funding opportunities open to Portuguese nationals and residents in most artistic and cultural disciplines > Outgoing mobility (OM);**
- **Mobility funding opportunities open to nationals from other countries than Portugal in most artistic and cultural disciplines > Incoming mobility (IM)**

The guide lists national, local and international resources, be they public or private. Only regular opportunities accessible online are listed; funds for which information is only available offline, not based on open calls, and ad hoc or short-term funding are not included. For a full overview of the methodology and scope of the research, please refer to the introduction of the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**².

Overall, the main objectives of such mobility funding guides are to make available online, in a transparent way, the existing information on funding for the international mobility of artists and cultural operators and to give input to funders on how to fill in the existing gaps in funding for international cultural exchange in order to ensure a sustainable support to cultural mobility in Europe and in the world.

This guide, updated by On the Move thanks to the support of the Asia-Europe Foundation, is an attempt to gather all the resources in one document, and is by no means complete. You can send your comments, suggestions and corrections to: mobility@on-the-move.org

For regular and one-off calls for projects, collaborations and other opportunities to fund international cultural exchange, we invite you to subscribe **for free** to the monthly newsletter of on-the-move.org.
