Mobility Funding Guides

Funding Opportunities for International Cultural Exchange in Europe

The Guide to funding opportunities for the international mobility of artists and culture professionals Hungary provides an overview of funding available for cultural project to and from Hungary.

In this latest edition for Hungary (October 2015), readers can find funding opportunities by country in most artistic and cultural disciplines. The guide lists **national resources** when available, as well as **regional and international sources** of funding, be they public or private. There are **4 public organisations** listed and **4 private foundations or organisations**, as well as an additional **6 additional resources**.

To make sure that the publication uses reliable sources, only regular opportunities accessible online are listed. This means that there are a number of resources that are not listed: funds for which information is only available offline, funds that are not based on open calls, and ad hoc or short-term funding. Additionally, this guide was last updated in 2015, so there might be some changes in the listed opportunities.

The guide is an attempt to gather all the resources in one document and is by no means complete. Rather, it is a starting point for research into funding for mobility in the context of Hungary. You can learn about [how to read the mobility funding guides here](#).

Since 2012, the [Asia-Europe Foundation](#) (ASEF) and [On the Move](#) (OTM) have jointly presented the Mobility Funding Guides for International Cultural Exchange for the 51 countries of the Asia-Europe Meeting (ASEM).
