11th International Conference on The Inclusive Museum | Spain

The **11th International Conference on the**

Inclusive Museum will be hosted by the University of Granada and held in **Granada, Spain**, on **6-8 September 2018**. Conference partners include the International Institute for the Inclusive Museum (iiiM), the International Council of Museums (ICOM) and the University of Granada. Founded in 2008, the International Conference on the Inclusive Museum brings together a community of museum practitioners, researchers, and thinkers. The key question addressed by this annual conference is: **How can the institution of the museum become more inclusive?** In this time of fundamental social change, what is the role of the museum, both as a creature of that change, and perhaps also as an agent of change? Conference **themes** address visitors, collections and representations of the inclusive museum. A special focus in this edition will be placed on 'Inclusion as Shared Vision: Museums and Sharing Heritage'.
