and cultural exchanges between Viet Nam and Russian Federation

The Russian Center for Science and Culture in Viet Nam marked its 15th anniversary in Hanoi in October. Over the years the Center has carried out multidimensional activities in the fields of cultural, scientific, educational and other humanitarian cooperation, in order to develop and consolidate a comprehensive strategic relationship between Viet Nam and the Russian Federation.

On October 17th, in Hanoi, the 15th anniversary of the establishment of the Russian Center for Science and Culture (2003-2018). Over the years, the Russian Center for Science and Culture in Vietnam has implemented many international and national projects and programs.

The Center has organized many activities to promote mutual understanding and solidarity between the two countries, including the performances of Russian and Vietnamese art troupes. Cultural activities, lectures on scientific, technical, economic and investment potential of the Russian Federation.

The two sides have organized forums, roundtables, lectures, seminars, meetings of the young generation of the two countries, as well as photo exhibitions, film screenings, classical and contemporary Russian concerts, and many other meaningful activities.
