ART021 GROUP has announced that the debut of ART021 Hong Kong Contemporary Art Fair (ART021 HONG KONG) will be held from 28 August to 8 September 2024.

Financially supported by the Mega Arts and Cultural Events Fund under the Culture, Sports and Tourism Bureau of the Hong Kong Special Administrative Region Government, **ART021 HONG KONG is committed to bringing a new vision and a new model of art fair.** By collaborating with iconic art venues across Hong Kong, ART021 HONG KONG is proud to present five distinctive sections of programmes during the event period.

The **GALLERIES** Section will be held from 29 August to 1 September at Phillips Asia headquarters in the WKCDA Tower at the West Kowloon Cultural District. Concurrently, the **VIDEOS** Section will be hosted in the Asia Society Hong Kong Center. The four-day **EXPANSION** Section, co-

organised with the Fringe Club, comprises various programmes including special exhibitions, live performances, forums and other activities.

Beyond the itinerary above, ART021 HONG KONG aims to stage a series of art events across the city. From 28 August to 8 September, the public section **SCULPTURE** will be showcased at Victoria Park and Fringe Club for 12 consecutive days. Another essential part is the Greater Bay Area Art Week (GBA ART WEEK), which will create a platform to connect galleries, art museums and institutions in the Guangdong–Hong Kong–Macao Greater Bay Area to join forces promoting visibility of the local art community.
