Arts & Cultural Management Conference 2021

The 4th edition of the Arts & Cultural Management Conference for students and emerging professionals takes place online 28-30 January, exploring the concept of *REvisiting Borders* and its sub-themes: *REsilience*, *REinterpret*, *REimagine*.

The 2021 ACMC is a joint initiative with **ENCATC**, aiming to foster innovative and necessary conversations with the theme of **REvisiting Borders**. #ACMC21 aims to provide an engaging space for students and emerging professionals to explore, question, and discuss what borders mean in today's world, especially within the arts and culture field.

The conference features 36 multi-format sessions, 4 keynote talks and a virtual poster exhibition.

You're invited to join us during three intense days (28-30 January 2021) of engaging discussions and networking opportunities with fellow participants from across the world.

Registration is open
