Registration is now open for the online Public Forum ***Asia-Europe Cultural Relations: A look ahead*** organised by ASEF Culture on **9 February 2023**, from 5 to 6.30pm SGT, as the culminating event of the roundtable series ***Recalibrating the compass: What Future for Asia-Europe cultural relations?***

The global context that has emerged from the consultation developed in 2022 has revealed **several challenges for the cultural sector and for the development of cultural relations**. While inequalities within the cultural sector were already present before the 2020 global pandemic, these were further accelerated as a result of Covid-19. The increased digital divide for

professionals in the arts and their lack of access to training opportunities and networking; the **restrictions to cultural mobility**, the **impact of the climate crisis** on the cultural sector and issues related to **colonial and post-colonial narratives** are some of the topics discussed through the consultation process.

The Public Forum, a final session open to the public, will invite a **group of 6 experts in the cultural sector from Asia and Europe** to discuss challenges and approaches in Asia-Europe cultural relations, based on findings and recommendations of the **5 roundtables**.

Speakers in the panel are:

- Jordi BALTÀ – *Cultural Consultancy and Research* Transit Projects
- Yohann FLOCH – *Director of operations* On the Move
- Ben HAMPE – *Project Director* / KONNECT ASEAN ASEAN Foundation
- Yasmine OSTENDORF-RODRÍGUEZ – *Founder* Green Art Lab Alliance
- Kamini RAMACHANDRAN – *Director* MoonShadow Stories and The Storytelling Centre Ltd

Moderated by Valentina RICCARDI – *Director, Culture Department* Asia-Europe Foundation (ASEF)
