# Bangkok Art Biennale BAB 2020

**Bangkok Art Biennale (BAB)** is a biannual art festival set in the capital of Thailand. This year marks the second installment of BAB which runs from 29 October 2020 through to 31 January 2021.

The theme for BAB 2020 is **Escape Routes**:

*In search for survival we confront our possible futures through the eyes and vision of artists and creative thinkers whose art and action will offer us hope and desire for a better humankind and caring for the earth.*

*Artistic Director, Prof. Dr. Apinan Poshyananda*

BAB spans across a period of 4 months in which the bustling city of Bangkok is transformed into a live hub that celebrates art, creativity, and culture.

Take a look at the **artists** participating in BAB 2020 and the programme.

Visitors are able to immerse themselves in an array of artworks and performances from a diverse range of artists, both local and international, throughout the heart of Bangkok, in galleries, public spaces, and iconic landmarks

In addition, they are accompanied by conferences, workshops, guided visits, and publications to ensure a memorable and holistic experience.
