Stories from Germany and South East Asia

[City Tales](#) is a project of the Goethe-Institut - over the course of 12 months, comic artists from nine cities in Germany and South-East Asia create an ongoing story each. Follow the City Tales stories on the blog.

The comics' key protagonists are sent on a journey, experiencing a variety of situations in their respective urban environments.

All nine artists respond to the same set of monthly themes provided by Goethe-Institut. The stories' twelve chapters are uploaded on a monthly basis into the blog platform “CityTales”.

[Check out the graphic artists](#) from Berlin, Hamburg, Manila, Melbourne, Kuala Lumpur, Jakarta, Hanoi, Bangkok and Singapore who are bringing their own City Tales to life.
