culture360 Media Partner of XTRAX / Stockton International Riverside Festival 2019 Showcase

culture360.ASEF.org is delighted to be the media partner for the **XTRAX Showcase** at the **Stockton International Riverside Festival** on 1-4 August 2019 in Stockton-on-Tees (UK). XTRAX showcases every year the best of **UK outdoor arts sector** and helps artists build important relationships with festival programmers locally and abroad.

The **Stockton International Riverside Festival (SIRF)** is an annual free outdoor arts and street theatre festival in Stockton-on-Tees. It showcases a rich programme of outdoor shows, but also new models of working and networking opportunities in the industry in a professional programme that will include talks, networking and pitching sessions.

Alongside the SIRF programme, XTRAX will organise a programme designed to help arts sector professionals make international connections, discover what is happening across the UK and internationally and help nurture and build their own networks.
