culture360 Media Partnership | Res Artis Conference "Mind the Gap: Designing residencies for everyone"

culture360.ASEF.org is delighted to be the media partner of this year's Res Artis conference, hosted by Acme.

Titled *Mind the Gap: Designing residencies for everyone*, the conference will take place in London from 6 to 9 September 2023, bringing the international artist residency community together in the UK for the first time, celebrating the 30th anniversary of Res Artis and 50 years of Acme. This year's event will help chart a future for impactful residency opportunities, with a focus on optimism and practical working solutions for issues facing the sector.

Mind the Gap: Designing residencies for everyone will explore our post-pandemic and increasingly fragmented world, proposing co-creation and collaboration as positive solutions to shared obstacles faced globally by residency providers and the artists they host.

Eschewing keynote presentation in favour of panel discussions, provocations and interactive workshops the conference will explore

power and access, diversity, artist voices and partnership working across four days.
