Arts Journalism Matters Series

Support to the
Asian Arts Media Roundtable (AAMR)
23-25 May 2019, Singapore

In 2019, culture360.ASEF.org will launch a new **Arts Journalism Matters events support series**, to encourage thriving arts media ecosystems in Asia and Europe. The first event in this series will be the [Asian Arts Media Roundtable](#), a 2-day meeting of arts editors, publishers, reviewers, arts journalists, critics, bloggers, podcasters, videocasters, academics and arts makers that will take place on **23-25 May 2019 in Singapore**.

Arts media is often overlooked by policy makers, funders and practitioners when considering the arts ecosystem. This conference will address the shrinking of arts coverage in all sorts of media with different stakeholders involved in arts media publishing and arts criticism. Organised by the arts media company ArtsEquator, the conference will provide a platform for peer knowledge and information sharing with a focus on South-East Asia.
