culture360.ASEF.org Media Partnerships announced!

[culture360.ASEF.org](#) is pleased to announce the events selected from the [open call for proposals for Media Partnerships](#) published last July. The 3 selected events will take place in countries that are **less visible** and often under-represented within Asia and Europe and that do not always receive enough visibility beyond the national or regional context. As media partner, culture360.ASEF.org will promote the selected events with articles, interviews and event posts on the website, social media channels and monthly newsletters.
