# Design Research Society | DRS Bangkok 2012

Design

perspectives on the theory, education and practice of design. This year's informal theme is Re:Search: uncertainty, contradiction and value. It was chosen to encourage a distinctly contemporary exploration of issues facing international design and craft communities.

- Keynote speakers
- Workshops
- Field trips
- Founded in 1966, the Design Research Society (DRS) is the multidisciplinary learned society for the global design research community. Members and participants are drawn from diverse backgrounds and as well as running a biennial conference, DRS sponsors a wide range of events and publications, including the Design Research Quarterly. DRS essentially aim to advance the theory and practice of design through the production and dissemination of scholarship and other forms of knowledge. *Source: DRS 2012*
