In November and December 2022 DutchCulture will hold two events in Amsterdam that highlight connections between the Netherlands and Asia.

Country Focus: Korea

This live event in Amsterdam will highlight recent **Dutch-Korean collaborative art initiatives** supported by Arts Council Korea and DutchCulture.

In an interactive programme, artists and curators from both Korea and the Netherlands come together. This public event will be a chance for arts and cultural professionals to present and reflect on their collaborative projects and exchange experiences. The goal is to look at **future prospects for cultural cooperation between the Netherlands and Korea**.
