Shanghai | creative industries networking events

 [EARS on Beijing](#) (29 November) and [EARS on Shanghai](#) (2-3 December 2013) will bring 100+ international leaders from the music, performing arts, design, media and Internet technology industries and representatives from foreign government agencies to Shanghai and Beijing to network and share best practices with their Chinese counterparts. **EARS on Beijing** @ UCCA will focus on key areas of the music and Internet technology industries. Leading Western professionals will join government agency representatives to network and share best practices with their Chinese counterparts. It is part of the Modern Sky Festival, one of mainland China's biggest music festivals. After Beijing, EARS will move on to Shanghai. **EARS on Shanghai** will focus on key design and performing arts topics on December 2-3, 2013. The program will include successive half-day music, performing arts, media and design panels, roundtables and networking sessions, covering topics important to today's creative industries. Registration for EARS is open - see website for ticket booking. **EARS - Europe-Asia Roundtable Sessions** is a new platform focusing on creative industry collaboration between Europe and Asia. EARS is a series of EARS events, the first being held in Helsinki, Shanghai and Beijing. The EARS website is dedicated to introducing latest trends and developments between Europe and Asia through talented professionals. **EARS on Shanghai 2012 - a short documentary from last years EARS on Shanghai produced by the European Commission:** <http://vimeo.com/56110422>
