Europe Day 2023 online festival and calendar

On 9 May 2023, to celebrate Europe Day, the European Cultural Foundation has organised a streaming programme with content for Europe-interested and professional audiences.

The theme for this year is “Europe is yours!” Highlights of the festival are The Europe Challenge, the outcomes of the European Sentiment Compass, *Decolonial Europe Days 2023*, the launch of the *Pop the vote on culture* campaign. As in previous years, the International Documentary Film Festival Amsterdam (IDFA) participates with a **selection of films** that highlight different aspects of Life in Europe.

The whole programme will be online until 31 May 2023.

In addition, there is a calendar of hundreds of cultural events across the continent and beyond, such as **public debates, exhibitions, festive meetings, and concerts**. In the run up to Europe Day, the European Cultural Foundation will publish an as complete as possible agenda with Europe Day events.
