European Year of Cultural Heritage 2018

Throughout 2018, we will celebrate our diverse cultural heritage across Europe - at EU, national, regional and local level. The aim of the **European Year of Cultural Heritage** is to encourage more people to discover and engage with Europe's cultural heritage, and to reinforce a sense of belonging to a common European space.

The slogan for the year is: **Our heritage: where the past meets the future.**

There are **32 national websites** dedicated to the European Year of Cultural Heritage and many events planned. Take a look at some of them:

- The theme for the Year in **Ireland** is 'Make a Connection'. This theme aims to deepen the connection between people and heritage, and build a legacy of increased public engagement. To achieve this objective, the Heritage Council is inviting organisations and individuals to take action and respond to the theme.

- During the month of April, member cities in Bohemia, Moravia and Silesia in the **Czech Republic** will participate in the International day of monuments and historical seats to open the gates of monuments. There will be a range of exhibitions, concerts and lectures.

- Many projects and events centred on heritage, learning and the natural environment are organised across **Finland**
