Frieze Seoul Returns for 2024 with more galleries and a new performance programme. The third edition of Frieze Seoul takes place at COEX from 4 to 7 September 2024, once again under the direction of Patrick Lee.

Featuring **more than 110 galleries spanning 30 countries**, this year's fair features a **strong core of exhibitors from across Asia region**, with a particular emphasis on those with spaces in Korea. Frieze Seoul runs alongside Kiaf SEOUL, operated by the Galleries Association of Korea.

The fair has also unveiled an **expanded programme of curatorial initiatives**, including the introduction of Frieze Live, a **new section for performance-based art**, the second iteration of the **Frieze Seoul Artist Award** – for which an emerging talent will present a significant new commission at the fair – and a **talks series**. The fair's acclaimed sections

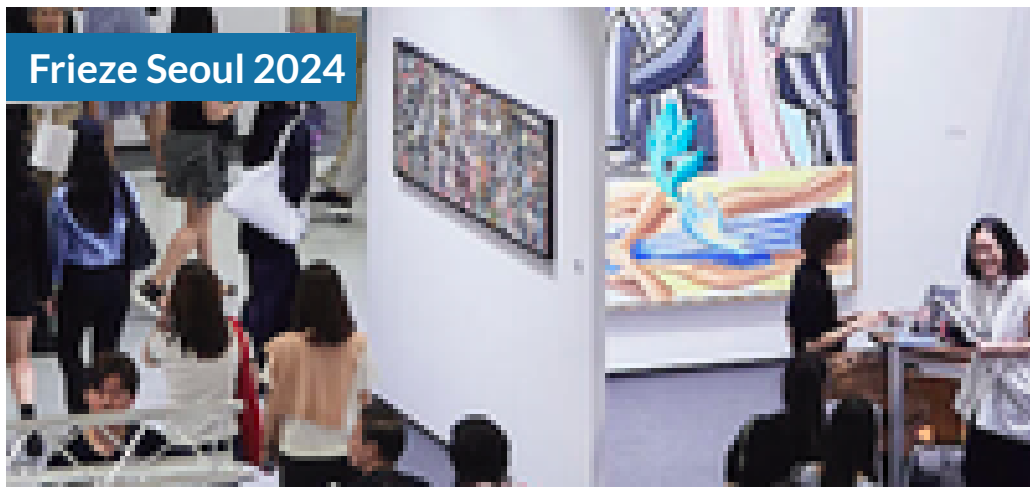

also return, with Frieze Masters showcasing historical art from Asia and around the world and **Focus Asia bringing together the best emerging talents from the region.**

Frieze Film, Frieze Music and collaborations with key non-profits take place in venues across Seoul during Frieze Week, which also sees late events at Seoul's galleries and the opening of several major institutional shows in the city.
