WELCOME TO

FUEL UP

CI WSQ 2011

Organized in partnership with the [Singapore Workforce Development Agency](#) (WDA), [Fuel Up](#) is a 2-day creative industries event that gathers professionals from the arts and culture, design, media and communication industries. The programme is conceived to offer training, guidance, and opportunities to adult workers who are seeking to either enter the industry or enhance their competencies in a fast changing environment. Through talks, networking, and portfolios, participants can find inspiring ways to enhance their profile and start building strategic plans for their careers. This event was launched in 2009 within the framework of the [Singapore Workforce Skills Qualification](#) (WSQ), a practical, accessible, affordable, and flexible system that enables people to take charge of their career.
