GUANGZHOU 24 - 26 NOV

HONG KONG 27 NOV

MACAU 28 NOV

 **'Ideas and Realities: Creative Writing in Asia Today'** is Asia Pacific Writers & Translators (APWT) ninth annual international gathering, taking place in Guangzhou 24-26 November, with side events afterwards in Hong Kong and Macau. The main two-day conference, on Friday 25th and Saturday 26 November, is hosted this year by **Sun Yat-sen University Center for English-language Creative Writing, School of Foreign Languages, Guangzhou**. This year's conference again features a great mix of events, this time offering academic panels in addition to the general panels. We also offer five outstanding workshops, many opportunities for readings, and several book launches. **It's not too late to register.** We welcome all authors and emerging writers, including screenwriters and literary translators. Also welcome are literary agents, publishers, teachers of creative writing and anyone interest in contemporary writing from the Asia-Pacific region.
