Hyundai Puppet Theatre in Bulgaria and Greece

Hyundai Puppet Theatre presents “Puppet City” from Sept. 22 to 28 at the [International Puppet Theatre Festival in Bulgaria](#) and the [International Puppet and Mime Festival of Kilkis](#) in Greece 24 September - 5 October. [Hyundai Puppet Theatre](#), Korea’s premier puppet theatre with a 48-year history, has been invited to well-known international puppet theatre festivals in Sofia, Bulgaria, and Kilkis, Greece. The group presents its flagship piece “Puppet City” in both festivals as a guest performance and master class. The piece has been selected as an opening performance in Greece. The creative production draws on Korean traditional plays and uses intricate puppet manipulations.
