Jakarta | Erasmus Huis 50th anniversary

With the 50th anniversary of Erasmus Huis in Jakarta, Dutchculture celebrates 50 years of cultural collaboration between Indonesia and the Netherlands, through an online event with talks and performances on 27 January 2021.

The Erasmus Huis is the cultural centre of the Netherlands' Embassy in Jakarta and was founded in 1970. On Wednesday 27 January 2021, the Erasmus Huis celebrates its 50th anniversary, as well as 50 years of cultural collaboration between Indonesia and the Netherlands. To praise and reflect on this achievement, we will host a virtual celebration. During this event, we talk with artists, ministers and other friends of Erasmus Huis and of course we treat you with inspiring performances. We look forward to celebrating this together. Please mark your calendar on 27 January 10:00 CET | 16:00 WIB.

The programme and free streaming details will be available on the [webpage](#)
