On the Move open consultation on a European Mobility Fund for Arts and Culture

On the Move, the cultural mobility information network active in Europe and internationally, has launched an **open consultation** – **What would be the ideal European Mobility Fund for Arts and Culture for**

you? Individuals and organisations from both Europe and beyond are invited to contribute their views and ideas.

There is a renewed interest, at a national and European policy level, in artists' mobility across Europe and internationally. It has created the opportunity to explore the development of a European Mobility Fund for Arts and Culture. Via this online consultation, we aim to collect ideas from the cultural sector about the need for an artists'/cultural professionals' mobility fund. It will shape our response to policy-makers across the EU in 2018.

This survey is for individuals and organisations. It will take approximately 15 minutes to answer. All answers will be anonymized. We will share the results of our survey publicly in spring 2018. The questions are written in English, but answers can also be provided in English, French, Spanish and Italian.

Responses for the survey close on 20 February 2018. Click [here](#) for the survey.
