Paris - Indonesia, portrait of artists programme

The Musée national des arts asiatiques - Guimet (MNAAG), in Paris, presents a programme dedicated to the arts and artists of Indonesia from 7-14 April: *Indonésie, un portrait d'artistes*.

From Bali to Papua, from Antonin Artaud to the gamelan, through visual arts, travel stories, the curiosity of intellectuals and western artists, cinema, music and Indonesian dance, the Indonesia, Portrait of Artists programme is an invitation to encounter an archipelago often ignored.

Take a look at the wide ranging programme which includes illustrated talks, film screenings, dance, music and round table discussions.
