The RM Digithon is a 24 hours non stop virtual meeting marathon that will gather over 10,000 CC actors worldwide and CCI mentors, supporters, investors and grantmakers.

The event is a 24-hour online speed meeting between Culture and creative supporters and CC actors that aims at creating a space of reflection on existing funding and mobility mechanisms.

240 international donors and supporters will be invited to host a "table", he/she will present the support program offered, its objectives, and eligibility criteria.
