This roundtable is also part of the [Recalibrating the Compass Roundtable Series](#), initiated by ASEF in May 2022 in celebration of its 25th Anniversary. The series examines current challenges and identifies ways to develop new, more relevant and resilient forms of support for Asia-Europe cultural collaboration. Ultimately, we will try to address how we can best support cultural cooperation from ASEF's unique position as a bridge-builder between Asia and Europe.
