**My Art Tracker** is a comprehensive online collection of information about art market in South East Asia and India. It includes auction results and analyses, artist profiles, artworks, sale prices, market trends and analyses.

It also offers a platform for art collectors to maintain their art portfolio online and for event organizers to showcase their art events to a target audience of art enthusiasts - anywhere and everywhere in the world.

My Art Tracker is an endeavor to bridge the information gap that exists in the South East Asian and Indian art space today. It is based on needs of art collectors, art enthusiasts and professionals to access all the information about art market at one place as well as to maintain their own online art portfolio.

My Art Tracker provides free access to a wide range of information about art market in South East Asia and India to its members – [Auction results and analyses](#), artworks and their sales history, artist portfolio and their auction sales reports / trends, [upcoming auctions, exhibitions, art fairs and other events](#), art market trends and a wide range of analytical reports. Our current database is a comprehensive archive of auction prices for 19,000 artworks and 3500 artists primarily from India and South East Asia. We will continue adding upcoming and past auction sales data in our database.
