Sydney | ISEA 2013 | 19th International Symposium on Electronic Art

ISEA2013 is an international

symposium of electronic art and ideas that will take place in Sydney, Australia. Presented by the Australian Network for Art and Technology (ANAT) and held alongside **Vivid Sydney** – a festival of light, music and

ideas – *ISEA2013* will showcase the best media artworks from around the world and provide a platform for the lively exchange of future-focused ideas. The 19th *International Symposium on Electronic Art* will comprise engaging presentations and thought-provoking speakers and discussions. Join us for informed dialogues, dynamic debates, enlightening keynotes and experimental incursions into the extensive and diverse practice of electronic media arts. **Register now for ISEA2013** (early bird rates until **April 19**) The organisers' vision for the symposium is to provide a program with genuine engagement on the following theme: **'Resistance is Futile'** [Read more](#) about the theme of *ISEA2013* and check out the full programme
