Trans Europe Halles (TEH) Conference 95 will take place in Leipzig (Germany), 8–11 June 2023, and will be hosted by Moritzbastei in collaboration with HALLE14 – Centre for Contemporary Art.

The conference is titled “**TRADITIONS & TRANSITIONS.**” The conference asks, how do art and cultural work respond to the ongoing transformation processes in Europe and the world? Migration, digitalisation, climate change, war and crisis of resources are challenging all of us. How do we deal with our own history, the heritage of abandoned buildings and how do we transform our cultural traditions into the future without losing our roots and values?

The sub-themes are:

- Industrial heritage
- Digitalisation in culture
- Sustainability
- Diversity
- 40 years of Trans Europe Halles
