## Museum | New online content available

The [Vietnamese Women's Museum \(VWM\)](#), a member of the [Asia-Europe Museum Network \(ASEMUS\)](#), has launched a new youtube channel in response to the Covid-19 pandemic. Many historical sights, monuments and museums have had to close. The VWM continues through online content to bring the detailed stories about the characters and artifacts on display or in storage in the museum.

The first episode: *"Rice Storage Jars – The story of Unity"* is now available here:
