Awards

ANDRECO - CLIMATE 04 - *Sea Level Rise*

Opening October 27th, Fondamenta Santa Lucia, Venice

www.climateartproject.com

Voting is open for climate change communication projects - including several arts, culture and media projects from Europe and Asia, shortlisted for the global Best Climate Solutions Award. You can [vote online](#) until October 15. Festival for the Earth in Venice this December hosts the awards presentation.

Over [40 proposals](#) from around the world [are in the running](#) for the this year's edition and everyone can support their favorite ones by participating in the online voting.

The winning project of the Best Climate Solutions 2018 Award on "Communicating climate change threats and opportunities" will be determined by a combination of both the online voting results and the assessment by the international jury of experts ([read more about this year's jurors](#)).

The finalists and the winner will be announced on December 4, 2018, at the [Festival for the Earth 2018](#) in Venice. The author of the winning project will be invited to present the proposal during a high-level event featuring Nobel, Pulitzer, and Goldman Prize winners, and will receive a prize of 3000 euros, co-sponsored by the Euro-Mediterranean Center on Climate Change and the Festival for the Earth.

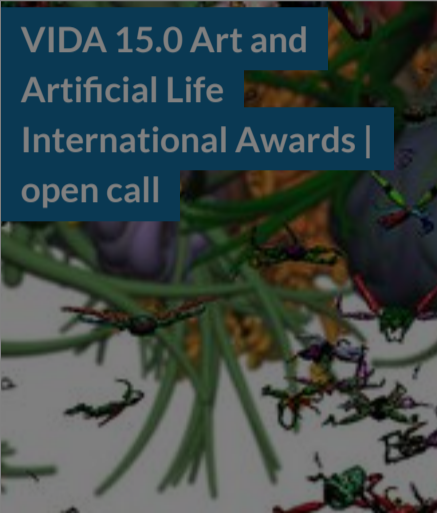

The [online public polls for the Best Climate Solutions Award on climate change communication](#) are open from September 24, 2018, until October 15, 2018 (5.00 pm CEST).
