Yangon | MEMORY! International Film Heritage Festival

 **memoryfestival2016** MEMORY! International Film Heritage Festival was created in 2013, continuing the tradition of the very few existing festivals entirely dedicated to the classics. The 4th edition takes place in Yangon 4-13 November 2016. MEMORY! is the sole international event entirely dedicated to film heritage in Asia and the most notable cultural event in Myanmar. **Programme:** In 2016, alongside the main rubric, this year themed **Journey(s)**, the 4th edition will feature ten other sections such as **Myanmar Film Treasures**, **Flim-Flam in Flame Films**, and **Jewels of Studio Canal**. **Conferences:** MEMORY! offers a unique annual rendez-vous opportunity in Asia for film heritage professionals, students and scholars, with a 5-day program, from November 5 to 9, of conferences, debates and masterclasses featuring international guest speakers. Meeting the standards of an international film festival, the objective of MEMORY! is to enable open access to world film heritage, as a key part of the preservation of cultural memory and a source of development and enrichment.
