3D International Film Festival - Saint Petersburg

"Third dimension" international film festival will take place in Saint Petersburg, Russia in the year 2011, June 23-29 and will become an annual event gathering together 3D works of both well-known and just started directors.

One of the main goals of the festival is to demonstrate that 3d format can be used not only for multimillion projects but also for documentaries and art movies. We want to show works of just started directors and promote them on the Russian media market.

The festival holds in "Dom Kino" cinema, the most famous Film Festival Center in Saint-Petersburg. "Dom Kino" Cinema is considered to be the major venue among other cinemas specialized in art house and contemporary experimental film works. "Dom Kino" is a 400 seats cinema situated in the very centre of the city.
