Angkor Photo Festival & Workshops | Creation Grants

ROUND 2 NOW OPEN

CREATION GRANTS

Deadline: 4 November 2021

The second round of **Creation Grants** from the Angkor Photo Festival & Workshops is open for applications from all lens-based practitioners in Asia.

This initiative is part of the organisation's mission to support the visual media community in Asia, and meant to help give a little boost of motivation (and cash).

The Creation Grants can be used to fund **any kind of project involving lens-based work or visual media**. It can literally be used for, as the name of the grant implies, *creating*. It is open to both new and ongoing projects. The grant can also be used to complete part of the project.

There is no fixed timeline for the project to be completed. However, the selection committee will assess how feasible it is based on the submitted proposal.

Each round will provide **four grants of US\$500 each**. If the project could benefit from having the guidance of a mentor, we will try our best to find the right person to mentor the project.

Deadline for applications: 4 November 2021 (midnight, Cambodia time)
