Call for emerging Asian photographers

12th Angkor Photo Festival & Workshops

Are you an **emerging Asian photographer** looking to take your craft to the next level? Apply for the 12th Angkor Photo Workshops - a professional workshop in Cambodia in December 2016. Open to photographers of all Asian nationalities, with no age restrictions.

The **Angkor Photo Workshops** is an **annual tuition-free professional workshop** aimed at nurturing emerging talent from Asia. Each year, 30 participants are selected from across the region to join us in Siem Reap, Cambodia, for an intensive week-long workshop conducted by international professional photographers who volunteer their time and expertise to be a part of this initiative.

Participants will be expected to complete one photo story each during the workshop, and will be guided by their tutors through all stages – from conceptualizing story ideas and refining your photographic approach, to improving your techniques and the final, important step of picture editing. We believe in diversity and originality, and we want you to develop your own unique photographic style and vision.

Our workshops are **open to photographers of all Asian nationalities**, with **no age restrictions**. Before filling in our online application form, read our Application Guide & F.A.Q. for more information on eligibility criteria and how to apply.

Application Deadline: 1st July 2016, 5pm (GMT+7)

NOTE: see separate [call for submissions](#) for works for the exhibitions (open to photographers from around the world - deadline: 15 June)
