15 Fellows will be selected from across South Asia for:

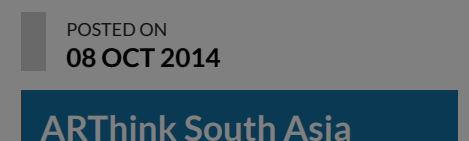

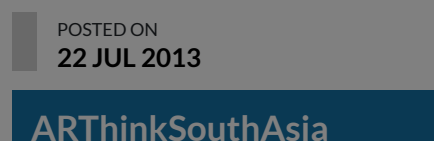

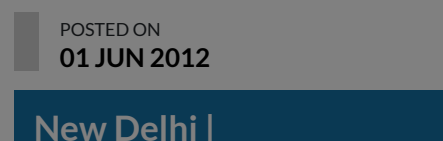

- A two-week residential course in India in May 2018
- A 30-day secondment with a cultural institution in Germany, the UK or South Asia over the year 2018-19

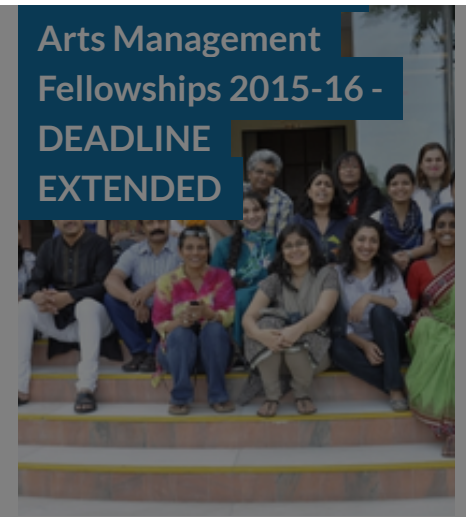

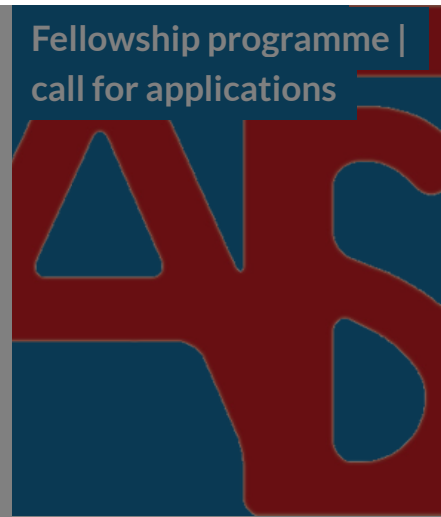

We welcome applications from practitioners working across a wide range of arts and cultural activity, as also from those working outside it who demonstrate knowledge, understanding and passion for arts and culture. Artists and persons with unconventional careers and experiences are also invited to apply.
