# Austria | Artist-in-Residence Programme 2019 call

In co-operation with KulturKontakt Austria, the Austrian Federal Chancellery makes available 50 residencies in Austria (Vienna and Salzburg) for the year 2019. International call to artists aged under 40 years. This call is open to visual artists, composers, writers, literary translators, art and cultural educators whose permanent place of residence is outside of Austria and who have completed their training.

The residency is designed to offer an opportunity to familiarise oneself with the Austrian art scene and cultural environment and to make contact with Austrian artists. Residents are expected to complete a project during their stay. In the field of cultural education, the stay is primarily designed to foster exchanges and networking and not the realisation of a project.

Austrian citizens cannot apply for this programme.

A working knowledge of German or English is required.

The age limit for applicants is 40 years.

Applications can be submitted until no later than **September 30, 2018**, 24.00, upon registration at [www.artists-in-residence-austria.at](http://www.artists-in-residence-austria.at). The electronic timestamp will be used to determine whether the submission was within the deadline (Central European Summer Time – CEST).
