Call for applications for Play Practice Apprenticeship Program, a 3 week intensive dance project where artists from all over the world come together in creative process through daily morning classes as well as intensive afternoon training. It takes place in Bangalore, India from 28th December 2019 to 18th January 2020.

Deadline for applications: 30 September 2019

During the 3 week program the artists have the chance to refine their contemporary dance technique and methodologies of improvisation and choreographic composition. Collaborations among students are encouraged, as well as the possibility to share the results of the 3 weeks investigation in the form of a performance at the end of the program.

The Program is located in Bangalore which enjoys a warm climate in December and January, offers cheap nice South Indian food and is nearby mountains.
