# Carpe diem Lily Pad artist residency in Kerala

 lilypad

Carpe diem announces a call for artists residency (all arts disciplines) in Kerala/Kerela, India. The Monsoon Program of the **Artists Residency** will be hosted at The Lily Pad in Kumarakom, Kerela from 22 June to 5 July 2015.

Carpe diem artist residencies are a new initiative led by a creative business team in India. Carpe diem residency, a series of artist-in-residence programs is designed to invite artists, writers and film makers for a time and space away from their usual social environment and domestic obligations.

The idea behind the program is to facilitate a stimulating eco-system or co-inhabiting space for artists to participate, research, produce and reflect on an emerging body of work.
