Applications are invited from creative professionals from a broad range of practices such as visual arts and crafts, music, theatre, dance, film, writing, design, photography, and digital and sound art, fashion and gaming.

Engagement with the local community is an integral part of this residency programme and it is anticipated that the residency will culminate in an exhibition, performance, reading, workshops or some other such event that involves the community. It is also hoped that residents will be interested in collaborating with local practitioners.

With more than two-thirds of The Arts Centre Te Matatiki Toi Ora site now re-opened to the public, the future vision for the site is becoming a reality.

There are three pillars to The Arts Centre vision:

1. Kaitiakitanga – guardianship

Hold and develop The Arts Centre as a unique and outstanding cultural centre to promote, conserve and maintain the heritage integrity of The Arts Centre.

2. Whangai – nourish and foster

Foster, promote and facilitate interest and involvement in art, culture, creativity, the creative industries, and education.

3. He Tangata – for everyone

Engage in an open way with the community and be inclusive and connected.
