mobility for artists and professionals 2022-23

Culture Moves Europe mobility grants are now open for individual artists, creators and cultural professionals residing in a Creative Europe country aiming to implement a project in another Creative Europe country with an international partner (organisation or individual).

Culture Moves Europe is the new permanent mobility scheme funded by the Creative Europe programme of the European Union and implemented by the Goethe-Institut. It will offer grants to **partially fund the cost of travel** (transport, accommodation, etc.) for **artists, cultural professionals and host organisations in all Creative Europe countries** who work in the sectors of **architecture, cultural heritage, design and fashion design, literary translation, music, performing arts and visual arts**.

There are **rolling evaluations** assessed monthly, with the cut-off date at the end of each month. The **publication of results happens in the third week of each month** until June 2023. The **mobility can be at any time**, for the duration agreed, within one year after signature of the grant agreement.

The scheme will foster sustainable and inclusive mobility and give particular attention to emerging artists and cultural professionals.
