projects for Almagro Festival

Proyecto Internacional de Videocreación **DULCINEA** LA MUJER INALCANZABLE

Celebrating the 400th anniversary of Cervantes' death, the 2016 Almagro Festival of International Theatre in Spain has a call for video creations (maximum 3 minutes length) on the theme of Dulcinea - the unattainable woman - one of Cervantes' most acclaimed characters from Don Quixote.

The call is for national and international entries - the video and original call info is in Spanish.

Deadline for entries: 1st May 2016

As part of the Almagro Festival, an exhibition of Dulcinea videocrecreation will be held, showing the selected videos, with three cash prizes awarded.
