Cities | call for

E-MOTIONAL Bodies & Cities is a two-year mobility and artistic exchange dance programme gathering artists and managers from six European countries – Romania, Cyprus, Ireland, Latvia, United Kingdom, and Turkey.

The E-MOTIONAL organisers are currently launching the first call for proposals in the frame of the project's **Motion Fund**. This strand represents a special funding scheme aimed at promoting cross-border mobility of the dance sector as well as encouraging the implementation of artists-in-residence activities in the participating countries.

Contemporary dance professionals (artists, managers, academics) from Romania – Ireland – Latvia – Cyprus – United Kingdom – Turkey are invited to apply for a **mobility and networking grant** in order to visit and attend specific events (festivals, workshops, international seminars, network meetings, etc.) taking place in the other project countries from **September 2011 to March 2012**. These visits are expected to be short trips with the purpose of exploring the contemporary dance scene in a specific country, making contacts and possibly planning future projects and exchanges. The duration of the visit shall be between 4-7 days according to each proposal submitted. The grant will cover a portion of the international travel expenses, accommodation and/or per diem to the maximum limit of EUR 1.000.

Please send your application by email to motionfund@e-motional.eu on or before July 31, 2011. Successful candidates will be notified by mid-August 2011.

A total number of 7 grants will be offered by the project organisers. The next call will be launched in

January 2011 and will cover the period between April 2012 – April 2013.

For more information contact Stefania Ferchedau or Cosmin Manolescu at contact@emotional.eu or visit www.e-motional.eu (website to be launched in August 2011).
