Artists, researchers, experimentators, thinkers, organizers, are invited to apply for a residency at **MoKS**, in Estonia.

This residency is open to those who are interested in researching and carrying on experiments on sustainable models of operation. Whether in software or hardware, in social or physical structures, human interactive processes or engineering techniques. The aim of the residency is to work towards creative models of sensitive change and evolvement.

Proposed time: 1-2 months, from february till july 2011

Facilities offered: monthly grant 500 eur + free studio space and apartment

MoKS - Center for Art and Social Practice, is a non-profit artist-run project space in Estonia situated in the rural community of Mooste.
