Programme de formation

euro**DOC**

Eurodoc International was set up to welcome non European professionals in the EURODOC workshops.

In 2011, 5 producers and 3 Commissioning Executives were selected. For these participants, 50% of the training fees and 70% of the travel and living costs for each sessions are co-financed with the support of the MEDIA Mundus Programme.

Programme 2012:

Session 1: Development - March 2012

Session 2: Budgeting, packaging, financing - June 2012

Session 3: Meeting with Commissioning editors - September 2012

Every year, 30 independent producers and representatives in charge of supporting the documentary production in Europe and abroad take part in 3 one-week training sessions with experienced tutors and experts who play influential roles in the current audiovisual and documentary field.

Created in 2009, initially with the support of the preparatory action of MEDIA International and since 2011 with the support of the programme MEDIA Mundus, EURODOC International is open to 5 non-European producers every year.

MEDIA International Preparatory Action

Cooperation with the European film industry is in strong demand around the globe. The results of the first call for projects of a new EU initiative, the MEDIA International Preparatory Action, show a lot of interest from audiovisual professionals around the world in working with Europe's film and audiovisual sector. The EU will provide nearly €2 million of funding for 18 projects involving partners from 10 countries. The projects include joint training of film professionals, reciprocal promotion of films and cooperation between cinema networks. This could set the stage for a broader EU film cooperation programme called MEDIA MUNDUS.
